

BOD and Auxiliary BOD Member - SAFETY PROTOCOL

Facility Oversight

The BOD on duty is assigned to specific days and times. The BOD on duty is to assist the designated CVNLL facility in following all safety guidelines.

- BOD will assist CVNLL with Checking in Coaches and Team Compliance Officers by doing Symptom checks and sanitizing their hands prior to field practice. Check in will be at designated check-in station.
- BOD will monitor that that players are using the appropriate entrance/exit per the Field Specific Protocols attached.
- BOD's will monitor Player/Coach/Spectator/Team Compliance Officer compliance of the safety plan while they are on the field.
- Physical distancing will be enforced by the BOD whenever feasible. Social distancing is to be practiced by the BOD and must maintain six feet of distance from players, parents and coaches when feasible.
- Limit the number of players/league members in the bathroom at the same time. They need to have enough space for social distance.
- Provide hand sanitizer to Team Compliance Officers for team check in.
- Provide disinfectant sprays to coaching staff as needed.
- BOD to spray disinfectant in all common areas such as bathroom stall handles, sinks etc. Before practice, between practices and at the end of practices. BOD to assist coaching staff as needed to spray batting cage gate handles, field gate handles, shed handles etc. as needed.
- BOD will ensure that bleachers and dug out are not used by players or spectators.
- BOD will ensure all players and spectators leave immediately after their practice time is over.
- BOD will ensure kids do not gather after practice to play.
- Coaches will be required to use hand sanitizer BEFORE they enter the designated practice field.
- Players and Coaches will be required to wash their hands or use hand sanitizer once DURING Practice and AFTER as they exit the field. Team Managers will assist in this effort.
- Unnecessary physical contact, such as hugs, high-fives, etc. are not allowed
- No Gum, Seeds or Spitting is allowed by Coaches or Players.

Safety Material

TEAM COMPLIANCE OFFICERS AND COACHES

Team Safety Officers are required to bring and wear a facial covering such as a mask. Coaches and Spectators are required to do the same. If Coaches exit the field for any reason (bathroom break) they need to have their hands sanitized before re-entering the practice field.

PLAYERS

All players are must arrive/leave wearing a mask. Once they are symptom checked and hands sanitized they may enter the practice field. No masked are required during practice time. They must put on a mask if they exit the field for any reason (bathroom break) and have their hands sanitized before re-entering the practice field.

Drop-off and Pick-up

Parents are encouraged to drop off kids and pick them up. Please see the Field Specifics attachment for arrival and departure entrances. If parents want to stay they may view the practice session from the pre-designated areas (see Field specifics attached), while keeping proper 6ft distancing from players, coaches and other parents. **Only one spectator per player is permitted at this time. Facial coverings for spectators are required.**

Players will check in at their designated location (see Field specifics attached). They will be symptom checked and sprayed with hand sanitizer. Once cleared they can access the practice field.

Symptom Check

TEAM COMPLIANCE OFFICERS AND COACHES (conducted by BOD on duty)

All league volunteer staff must be cleared by the Board Member on Duty. Symptoms Checks for volunteers will be at the check-in station. Symptoms for COVID-19 are listed below.

PLAYERS (conducted by Team Compliance Officers)

A Symptom check (COVID-19 Symptoms listed below) will be required for all players. Please avoid having kids from crowd up and create a safety concern when checking in for practice.

Coronaviruses can cause mild to moderate symptoms like the common cold.

Symptoms of COVID-19 may include:

- Chills
- Cough
- Diarrhea
- Runny nose
- Headache
- Sore throat
- Muscle pain
